Congratulations! You have purchased another fine Sinclair Cleaning product. Please take a moment to read the instructions prior to using your new Sinclair Rifle Cleaning Cradle.

The Sinclair Cleaning Cradle is constructed of structural aluminum and is anodized to protect it from the elements. It is held together with four (4) 1/4" allen bolts which allows quick take-down for storage.

Assembly For Single Cradle Setup:

- 1) Place bolt through one leg (single setup-use two (2) inside holes) and then through a hole in one saddle.
- 2) Thread screw into one (1) crossbar. Tighten screw finger tight for now.
- 3) Insert another screw through same leg and saddle and thread into the other cross bar finger tighten for now.
- 4) Insert screws through other leg and other saddles, then thread into the other end of the cross bars.
- 5) Set on flat surface and tighten all four (4) allen screws.

Assembly For Double Cradle Setup:

- 1) Place bolt through one hole of leg, (use outside hole) and then through outside hole of one saddle.
- 2) Thread this bolt into crossbar, finger tighten for now.
- 3) Place bolt through the adjacent hole in leg and the remaining hole in the saddle.
- 4) Install a nut on the allen bolt, finger tighten for now.
- 5) Repeat steps 1 through 4 for the other saddles and cross bar. Make sure to put both rear saddles on one side and both front saddles on the other side.
- 6) Tighten all eight (8) screws securely.

Rear Saddles

Item # Description

- 749-002-469 Standard Rear Saddle
- 749-002-435 AR-15 Saddle
- 749-002-473 Extra Wide Rear Grip Saddle

Front Saddles

Item # Description

- 749-002-468 Front Saddle (up to 1.75" forends)
- 749-002-471 Front Saddle (1.75" to 2.625" forends)
- 749-002-472 Front Saddle (2.625" to 3.250" forends)
- 749-002-470 AR-15 (A2 only) (2.200" forends)

Hardware

Item # Description

- 749-002-391 Cradle Legs and Crossbars
- 749-000-228 Double Cradle Hardware Kit
- 749-003-241 Two Each Cradle Legs & 17" Tie Bars
- 749-002-667 Set of Two 17" Tie Bars Only
